**“Why (learning)  
psychology matters”**

### Information about Ljubljana for EFPTA Conference participants, 16 -19 April 2026

This is an info sheet about the conference venue location, Ljubljana hotel suggestions and transport from the airport.

The currency of Slovenia is the euro. Almost everybody speaks English in Ljubljana.

#### From Ljubljana Jože Pučnik airport to Ljubljana Central Bus Station

There are multiple options to get from the airport to the Ljubljana Centre. There are buses every half-hour into the city (about 4 euro, duration 30 mins). The bus arrives at the **Ljubljana Bus Station**, which is about a 10-minute walk from the **B&B Hotel Ljubljana Park** and some other hotels.

Another option is to take a taxi or use a shuttle service like GoOpti. Please note that GoOpti requires you to book your ride in advance online at [gopti.com](https://gopti.com).

Alternatively, if you cannot find convenient flights to Ljubljana, we suggest flying to Venice (IT), Trieste (IT), or Zagreb (CRO) airports. In this case, please book your transfer to Ljubljana in advance, for example, via GoOpti at [gopti.com](https://gopti.com).
